OUR HEROINE for March 2023

Asha Abbas Barrow from Doomey IDP Camp, Beledweyne, Somalia

“ Life cannot exist without water ”

SAFE AND CLEAN WATER TO THE DROUGHT AFFECTED FAMILIES IN BELEDWEYNE

Islamic Relief UK sponsored the six-month Beledweyne Drought Emergency Response (BDER) project. At Beledweyne, Hiran region, Somalia. The project's goal was to help families who were suffering from the drought.

Islamic Relief focused on the camps of Doomey and Ex-Airport, which house more than 2,600 families that fled the present drought. 450 families received 3 months of monetary assistance as a result of this operation while each family received \$70.

Asha Abbas was the among the rights-holders that benefited this project and she was so excited to receive the assistance.

“I was an agropastoral mother who was uprooted from Booco village. We used to farm and raise animals”, recalls Asha Abbas Barrow, a mother of 10 who resides in the Doomey IDP camp in Beledweyne, Somalia.

In the Beledweyne Drought Emergency Response Project, Islamic Relief started distributing of two months' worth of water trucking, three months' worth of cash, and non-food supplies.

The majority of Doomey and Ex-airport Internally Displaced Camps in Beledweyne have access to clean and safe water for their neighbors.

“We used to collect water from a distance and occasionally beg neighbors for water, but they would turn us down. Now, it arrives right outside our door.” Life cannot exist without water”, Asha Abbas Barrow says.
